Thank you for ordering a Conditional Pedigree from the American Kennel Club®. A pedigree contains a great deal of information, and abbreviations are an unfortunate necessity. On this sheet you will find the meanings of the abbreviations used for titles; countries (if a dog was from outside the US); colors and markings; OFA and CERF certifications, and genetic clearance information. Should you have further questions, please call the AKC® Customer Service office at 919-233-9767. Web site: www.akc.org

Note that if a date is shown after a dog's registration number (such as (01-92)), this is the month and year the dog's first breeding was recorded in the Stud Book Register. *It should not be confused with the dog's date of birth.*

Abbreviations Used for Titles

The following list shows the abbreviations used for earned titles. Some titles are appended to the beginning of a dog's name, and others are appended after the dog's name. Note that titles earned in a foreign country, or under non-AKC rules and regulations, are not shown on the pedigree.
